

HUMAN SERVICES DEPARTMENT [441]

Adopted and Filed Emergency After Notice

Pursuant to the authority of Iowa Code section 249A.4(9), the Department of Human Services amends Chapter 77, “Conditions of Participation for Providers of Medical and Remedial Care,” Chapter 78, “Amount, Duration, and Scope of Medical and Remedial Services,” and Chapter 79, “Other Policies Relating to Providers of Medical and Remedial Care,” Iowa Administrative Code.

These amendments add Medicaid coverage for behavioral health services provided by a licensed marital and family therapist (LMFT), a licensed independent social worker (LISW), or a licensed master social worker (LMSW) practicing under the supervision of an LISW. These changes were mandated by 2008 Iowa Acts, Senate File 2425, section 123.

Notice of Intended Action on these amendments was published in the Iowa Administrative Bulletin on July 16, 2008, as **ARC 6929B**. The Department received one comment on the Notice of Intended Action, which noted that the legislation specifies that an LISW must hold a master’s degree.

To address this concern, the Department has modified subrule 77.26(3) to add the requirement that an LISW must hold a masters or doctoral degree as approved by the Board of Social Work. The Department has also changed the reference to the licensing category cited in subrule 77.26(2) to read “an independent social worker” instead of “an independently practicing social worker” to conform to the term used in 645—Chapter 280. Additionally, the implementation sentence for rule 77.26(249A) has been modified since the Notice to include a

reference to 2008 Iowa Acts, Senate File 2425, section 123.

These amendments do not provide for waivers in specified situations because the Department holds that all providers should be subject to the same standards. Requests for the waiver of any rule may be submitted under the Department's general rule on exceptions at 441--1.8(17A,217).

The Council on Human Services adopted these amendments on October 8, 2008.

The Department finds that these amendments confer a benefit on therapists and social workers and on Medicaid members in need of their services by providing Medicaid coverage for those services. Therefore, these amendments are filed pursuant to Iowa Code section 17A.5(2)“b”(2), and the normal effective date of these amendments is waived.

These amendments are intended to implement Iowa Code chapter 249A as amended by 2008 Iowa Acts, Senate File 2425, section 123.

These amendments shall become effective on December 1, 2008.

The following amendments are adopted.
